

Richard Cook Fan Club

"Elvis Tribute Artist"

Thank you for your interest in Richard Cook. Richard has been an Elvis fan since age 5 and has been entertaining audiences since age 14. He respects Elvis and feels by being an Elvis Tribute Artist he can keep the memory of Elvis alive for fans young and old. The fan club was formed September 5, 2006 to further promote the memory of Elvis and to bring fans together to enjoy Richard's performances.

Membership dues are \$10 per year and open to any Elvis fan, any age. As a member, you will receive a membership card, photo page, biography, and newsletter. In September of each year, the fan club will have a party for members. A portion of the dues and sale of memorabilia will be donated to Richard's charity of choice, the American Cancer Society.

We invite you to join the fun and fellowship and hope to see you at Richard's shows. If you have any questions, call or send an email, and be sure to check out RichardCookElvis.com for schedule updates, photos, and the latest news.

TO JOIN: Please make your \$10 (US Funds) check or money order payable to DIANNE HARMON and send with the completed application to the address below. Please allow 2-4 weeks for processing.
